The exercises were opened by addresses from Rev. M. Long and Rev. T. D. Ingle, each of whom handled their subjects in a manner that could not fail to interest their andience. The annual address was delivered by the Rev. Alveon Rose and was creditable alike to the head and the heart of the speaker. Perhaps the most noticeable feature of the convention was that of a concert given by the Gallion Sabbath School, on the second evening of the session. The large and spacious chapel of the M. E. Church had been kindly tendered and gratefully accepted for the occasion, every part of which was densely crowded with su 'intelligent and appreci tive audience.
